

Elevate Charities Annual Charity Golf Tournament

Monday, September 26, 2022

Elevate Charities will continue its success with our Annual Charity Golf Tournament. We are continuing our success at Fairbanks Ranch Country Club. Founded in 1984, this country club features 27 championship holes of golf nestled in beautiful Rancho Santa Fe, California (San Diego), designed by Ted Robinson Sr. and John Harbottle.

We are mixing things up this year and partnering with LinkSoul clothing brand, which is a lifestyle brand that can transition to the golf course. We hope to offer an expanded shopping experience for all our players and attendees. For more information on LinkSoul, visit this link to learn more about their story. <https://linksoul.com/pages/founders>

This is your opportunity, as a sponsor, to help us reach out to the less fortunate in our communities and make a real difference in their quality of life. In 2021, the charity raised over \$200,000 in sponsorship dollars and donated funds back to seniors in need to elevate the quality of life for members and participants of the senior healthcare community – employees, caregivers, family patients, and residents.

In 2020, Medicare enrollment among seniors in the United States was expected to reach 65 million. Half of this population has an annual income of less than \$26,200. With this meager income they are expected to pay for their basic needs, as well as healthcare costs, including monthly Medicare premiums and the other necessary costs that Medicare does not cover.

To broaden the sphere of influence of the charity, we would like to enlist your company's support as a sponsor, underwriter and participant. There are several sponsorship levels for the tournament, which are detailed within the attached pages. This is a wonderful and exciting opportunity for both businesses and individuals to actively support those in need.

Thank you in advance for your support of Elevate Charities.
